Item	Description	Action By	Time Line
1. Minutes	Minutes of the March 17 meeting were reviewed and approved.		
2. Admissions update	It was agreed that the CWP should focus on recent workplace graduates, following the original destination focus brought to the College by the School Boards. Also, that students who have been in a modified program should be assessed by students services councilors to limit applicants who are not likely to be successful in the Program. The college calendar will have language addressing this issue.	Cathy	April
3. Proposal	A small addition was made to the proposal to emphasize the destination focus of the workplace oriented student.  Approval was given to present the proposal to Academic Council on April 10.	Rebekah  Jack	
4. Next meeting	May 12 at 3:30 in 28
